# Welcome to Vrindavan

As you stand upon this sacred soil, understand that Vrindavan is not merely a place - it's a state of consciousness. It invites you to step beyond the confines of the material world and immerse yourself in pure, unconditioned love. The love here transcends the barriers of religion, language and nation. It is the universal love between the devotee and the Divine.

Vrindavan teaches that true devotion is not limited to rituals and scriptures but thrives in surrender, simplicity and heartfelt remembrance of God's name. The sacred syllables Radhe Radhe are enough to open the gates of grace.

# Vrindavan

The fabled land of  
Lord Krishna's childhood

Srimad-Bhagavatam describes the extraordinary pastimes Krishna performed in Vrindavan during his childhood. The Bhagavad Gita explains that Vrindavan on earth is a replica of Krishna's everlasting presence in the spiritual world. And the Brahma-samhita says Krishna is eternally living in Vrindavan.
